

(2) Bullied kids may hate coming to school and other kids may not want to be friends with them because they are afraid they will get bullied, too. The family of the bullied kid may not even know that they are being made fun of.

(2) Bullies may not know how to deal with their own feelings and want to get a reaction from the kid or kids they are being mean to.

(3) Not all mean behavior is bullying. Sometimes friends have disagreements or say mean things to each other. That is not bullying. People don't always get along all the time, even if they are best friends or family members.

(1)(2)(3) Did I mention it doesn't have to be hard to be a good person to others?

**No one wants to be a bully!
Laugh at jokes, not people!**

KINETIC TEXT:
**Feelings are fun!
Everyone can join!
No Mean Jokes**

MC looks back at the camera, excited and curious.
