The Benefits of Partnering with SPOT

SPOT is a financial safety net for your clients. By reimbursing up to 90% of eligible vet bills, we reduce financial barriers to treatment. Which results in more pets receiving the care they need, and produces additional revenue streams.

SPOT helps vets like you grow their practices.

Increased revenue for vet practices

Clients bring pets for care earlier in process

Improved changes of better health outcome

Partnering with SPOT drives new business

Research funded by the American Veterinary Medical Association (AVMA) has determined that pet insurance offers the potential of \$7 billion in increased veterinary spending annually. The findings included that 47% of pet owners would likely purchase pet health insurance if vets made the recommendation.*
